Vellore Institute of Technology

ic-ETITE'28

Third International Conference on

EMERGING TRENDS IN INFORMATION TECHNOLOGY AND ENGINEERING

Organized by

School of Computer Science Engineering and Information Systems

Dates

10 & 11 FEBRUARY 2028

Vellore Institute of Technology
Vellore,Tamil Nadu, India

BOLT 3.0

TechNext '28

About ic-ETITE'28

The conference aims to provide an international platform for researchers, academicians, engineers, industry professionals, and students to present and exchange innovative research in Information Technology, Computer Engineering, Communication Engineering, Electronics Engineering, and related emerging areas. ic-ETITE'28 seeks to foster knowledge sharing, interdisciplinary collaboration, industry–academia interaction, and future research partnerships among participants from around the world.

Original and unpublished research papers addressing emerging challenges, innovative technologies, and recent developments are invited from researchers worldwide. The conference is committed to promoting research excellence and facilitating the dissemination of knowledge that contributes to the advancement of science, technology, and education.

Theme of the Conference

ic-ETITE'28 emphasizes the importance of advancing research and innovation in Information Technology and Engineering. The conference aims to provide a global platform for researchers, academicians, engineers, industry professionals, and students to showcase their innovations, exchange knowledge, and explore emerging developments in science and technology. The conference is committed to promoting research, innovation, and technological development in Information Technology and Engineering. It seeks to foster international collaboration, encourage interdisciplinary research, and facilitate global research networks that support future joint initiatives and academic partnerships.

Highlights of the Second ic-ETITE'24

- Organized by SCORE, VIT Vellore: 22–23 February 2024.
- Technically co-sponsored by IEEE Madras Section and supported by ACM.
- 1,688 papers received from 19 countries.
- 32 technical sessions conducted.
- 22 keynote sessions delivered by eminent international academicians, Vice-Chancellors, IIT professors, and industry experts from Microsoft, Amazon, and other organizations.
- Expert panel discussions were conducted with distinguished speakers from academia, IEEE, and industry.
- 1,088 participants attended the conference.
- BOLT 2.0 International Hackathon: 683 registrations.
- Technext'24: Industrial expo and project competition conducted.
- Chief Guests: Dr. Zvi Galil, Georgia Institute of Technology, USA, and Shri S. Krishnan, IAS, Secretary, MeitY, Government of India.
- Industry collaborations and sponsorships established with Intel, Cisco, Yellow.ai, Java Capital, and Seed VC Innovation.
- IEEE Xplore Proceedings: https://ieeexplore.ieee.org/xpl/conhome/10493200/proceeding

Highlights of First ic-ETITE'20

- The first IEEE International Conference on "Emerging Trends in Information Technology and Engineering" was organized on 24th & 25th February 2020. ic-ETITE'20 was technically Co-sponsored by IEEE Computer Society Madras Chapter, IEEE Communications Society Madras Chapter and supported by ACM- Madras Chapter.
- All the presented papers were published in the IEEE Xplore by the IEEE. (https://ieeexplore.ieee.org/xpl/conhome/9070069/proceeding)
- Electronic ISBN:978-1-7281-4142-8
- USB ISBN:978-1-7281-4141-1
- ic-ETITE'20 had 21 technical and 17 keynote sessions.
- A hackathon titled, "Breakthrough on Locked Technology" **BOLT** was conducted with 500+ participants and gave Rs. 1,00, 000 as prize money.

ic-ETITE'20

About VIT

Vellore Institute of Technology (VIT) was established in 1984 as Vellore Engineering College and was granted university status by the Government of India in 2001 under Section 3 of the University Grants Commission (UGC) Act, 1956. Founded by Dr. G. Viswanathan, VIT is committed to providing quality higher education and fostering excellence in teaching, research, and innovation. The University promotes a vibrant and cosmopolitan academic environment, attracting students and faculty from across India and around the world. VIT places strong emphasis on research, innovation, international collaboration, and industry engagement. Its extensive academic and research collaborations with universities and institutions worldwide facilitate student and faculty exchanges, joint research, and global academic partnerships. With a strong focus on academic excellence and a professional approach to governance, VIT continues to advance its vision of "Transforming life through excellence in education and research." The University remains committed to preparing students and researchers to address emerging global challenges and contribute meaningfully to society.

Ranking & Accreditation

Vellore Institute of Technology (VIT) is committed to excellence in teaching, research, innovation, and global academic engagement. Its strong performance in national and international rankings and accreditation reflects its continuing emphasis on academic and research excellence.

- QS World University Rankings by Subject 2026: VIT is ranked 119th globally in Engineering & Technology. VIT is also ranked 86th in Computer Science & Information Systems and 87th in Electrical & Electronic Engineering, with several other disciplines placed among the top 200 globally.
- QS Sustainability Rankings 2026: VIT is ranked 352nd globally and 7th among institutions in India, reflecting its performance in sustainability-related areas.
- Shanghai Ranking (ARWU) 2025: VIT is placed in the 501–600 global rank band and in the 1–2 rank band among Indian institutions.
- NAAC Accreditation: VIT Vellore is accredited with an A++ grade, with a CGPA of 3.66 on a four-point scale.

NIRF 2025: VIT is ranked 14th in the University category, 14th in Research, and 16th in Engineering in the National Institutional Ranking Framework (NIRF), Government of India.

About SCORE

The School of Computer Science Engineering and Information Systems (SCORE) at Vellore Institute of Technology (VIT), Vellore, is a vibrant academic and research community committed to excellence in Computer Science, Information Technology, Artificial Intelligence, Data Engineering, Cyber Security, Software Engineering, and Computer Applications. The School offers a diverse range of undergraduate, postgraduate, research, and doctoral programmes, including B.Tech. in Information Technology, B.Tech. in Computer Science and Engineering (Artificial Intelligence and Data Engineering), B.Tech. in Computer Science and Engineering (Cyber Security), BCA, B.Sc. in Computer Science, M.Tech. in Computer Science and Engineering (Cybersecurity), M.Tech. in Software Engineering, MCA, M.Sc. in Artificial Intelligence and Machine Learning, M.Tech. by Research, and Ph.D. programmes, equipping students with strong technical knowledge, practical skills, and the ability to address real-world challenges. SCORE fosters a research-driven and innovation-oriented environment through interdisciplinary research, industry collaboration, consultancy, and engagement with leading academic and research organisations. Supported by state-of-the-art infrastructure, industry- supported laboratories, Centres of Excellence, and a strong community of students, faculty members, researchers, visiting professors, and industry professionals, the School promotes excellence in teaching, learning, research, and innovation. Through seminars, workshops, international expert talks, symposia, conferences, and industry interactions, SCORE provides opportunities to engage with emerging technologies and global research developments, while advancing its vision of transformative education, impactful research, innovation, and lifelong learning.

About ITS

The IEEE Information Theory Society at VIT is a vibrant student chapter dedicated to exploring the latest advancements in information theory and applying them to address contemporary technological challenges. The chapter provides a nurturing platform for students to foster innovative ideas, develop technical expertise, and engage in meaningful research and projects. Through technical events, workshops, seminars, and collaborative initiatives, the chapter promotes knowledge sharing and practical learning while connecting students with partners and collaborators from academia and industry. By encouraging curiosity, creativity, and continuous learning, the IEEE Information Theory Society at VIT strives to empower students to develop innovative solutions, address emerging challenges, and contribute meaningfully to the advancement of information and communication technologies.

Manuscript Submission

The papers should be submitted through

All submitted papers will go through a plagiarism check process.

The manuscript should not contain embedded links, scanned images, header and footer. Email submission will not be accepted.

All queries related to the conference shall be addressed to **icetiteconference@vit.ac.in**.

OriginalContributions are solicited on topics covered under broad areas not restricted to

Information Technology

- Information Systems
- Information Retrieval
- Cloud Computing
- Cloud Security
- Knowledge Management Molecular Information Systems Data Management & Visualization
- Cyber-Physical Systems
- Digital Society
- Big Data Analytics
- Data Mining and Sentiment Analysis
- Social Network Analytics
- Data Sources and Integration
- Distributed, Pervasive, and Embedded Systems Security Multimedia and Internet Security
- Image And Video Retrieval
- Web-based Application and Service Security
- Cyber Security
- Network security and Information Security
- Digital Forensics
- Biometric Security
- Quantum Cryptography
- Malware Analysis and detection
- Secure IoT
- Web Ontology
- Web Intelligence
- Search Engines
- Innovative Information Security
- Deep Learning
- E-learning

Communication Engineering

- Wireless & Sensor Systems
- Social Networking
- Communication Signal processing
- Wireless Communications
- Mobile Communication
- Communication Theory and Techniques
- Ad-Hoc Networks
- Innovative Networking and Communication Techniques Data Communication
- TV And Sound Broadcasting
- Communication IC Design
- Communication Protocols
- Optical Communications
- Telecommunication Networks
- Radio And Satellite Communications
- Radar, Sonar and Navigation Systems
- Space Technologies
- Zigbee Technology
- Human Area Network
- Next Generation Protocols
- Software Defined Network
- GPRS
- HSPA
- Quantum Communication
- Fibre Optic Communication
- Modelling and Simulation
- Sensor & Micro-Machines
- Wireless Video
- Intelligent Control Systems
- Internetworking of WLAN & Cellular Networks 4G & 5G
- Antenna & EMC/EMII
- Aerospace Applications
- Speech Processing

Computer Engineering

- Computer Architecture
- Computing for Development
- Cognitive Analysis
- Fuzzy Systems
- Granular Computing
- Modern Operating Systems
- Rough Sets
- Storage Techniques
- User Interfaces
- Next Generation Computing Technologies
- Virtualization
- Pervasive Computing
- Quantum Computing
- Human Computer Interaction & Accessible Technology Machine Learning
- Computation Intelligence
- Natural Language Processing
- Programming Languages & Software Engineering Systems & Networking
- Theory of Computation
- Ubiquitous Computing
- Artificial Intelligence
- Augmented & Virtual Reality
- Computer Graphics, Vision, Animation, & Game Science

Electronics Engineering

- Fabrication
- Robotics
- Digital Image/Signal Processing
- VLSI/Embedded systems
- Microprocessor Based Technologies
- Applied Electromagnetics and RF Circuits
- Control Systems
- MEMS and Microsystems
- Optics and Photonics
- Plasma Science and Engineering
- Power and Energy
- Quantum Science and Technology
- Solid-State Devices and Nanotechnology
- Antenna and Wave Propagation
- Intelligent Systems Architectures And Applications Microelectronics
- Nano-electronics
- Power Electronics
- Signal and System Theory
- Solar Technology
- Network Theory
- Modulation Techniques
- Source and Channel Coding
- Switching Theory and Techniques
- Microwave Theory and Techniques
- Wave Propagation
- Measurement and Instrumentation
- Circuit Design
- Simulation and Cad
- Microwaves, Antennas and Radio Propagation Optoelectronics
- Electromagnetic Compatibility
- Digital Governance

Extended version of selected papers will be recommended for publication in Scopus indexed journals with impact factor.

Important Dates

Full Paper Submission	: 05 October 2027
Notification of Acceptance	: 04 November 2027
Camera Ready Paper Submission with Registration	: 12 December 2027
Conference Dates	: 10 & 11 February 2028

Registration Details

Category	Indian Authors & Delegates	Foreign Authors & Delegates
Industry Professionals	Rs. 15000	400$
Faculty / Academicians	Rs. 14000	350$
Faculty / Academicians (IEEE Members)	Rs. 12000	325$
Research Scholars, UG and PG Students	Rs. 10000	300$
Research Scholars, UG and PG Students (IEEE Members)	Rs. 8000	275$
VIT (internal)	Rs. 10000	-
Co-Authors / Participants (non-authors)	Rs. 5000	200$

Organizing Committee

Chief Patron

Dr. G. Viswanathan, Chancellor, VIT

Patrons

Dr. Sankar Viswanathan, Vice President, VIT

Dr. Sekar Viswanathan, Vice President, VIT

Dr. G.V. Selvam, Vice President, VIT

Dr. Sandhya Pentareddy, Executive Director

Ms. Kadhambari S Viswanathan, Assistant Vice - President

Dr. V. S. Kanchana Bhaaskaran, Vice-Chancellor, VIT

Dr. Partha Sharathi Mallick, Pro-Vice Chancellor, VIT, Vellore

Dr. Jayabarathi T, Registrar, VIT

Organizing Chair

Dr. Daphne Lopez, Professor & Dean(i/c), SCORE, VIT, Vellore

Organizing Co-chair

Dr. Jeyanthi. N, Professor & Associate Dean, SCORE, VIT, Vellore

Conference Chair

Dr. John Singh. K, Professor, SCORE, VIT, Vellore

Publication Chair

Dr. Vijayan. R, Professor, SCORE, VIT, Vellore

Publication Co-chairs

Dr. Brindha. K, Professor, SCORE, VIT, Vellore

Dr. Deepa. M, Professor, SCORE, VIT, Vellore

Finance Chair

Dr. Priya. M, Associate Professor, SCORE, VIT, Vellore

Finance Co-chair

Dr. Rajkumar. M, Associate Professor, SCORE, VIT, Vellore

Technical Programme Chairs

Dr. Priya. V, Professor, SCORE, VIT, Vellore

Dr. Krithika. L. B, Associate Professor, SCORE, VIT, Vellore

Dr. Senthil Kumar T, Associate Professor, SCORE, VIT, Vellore

Dr. Tamil Priya. D, Assistant Professor, SCORE, VIT, Vellore

Publication Committee

Dr. Angulakshmi. M, Associate Professor, SCORE, VIT, Vellore

Dr. Parvathi. R, Associate Professor, SCORE, VIT, Vellore

Dr. Padmakumari. P, Associate Professor, SCORE, VIT, Vellore

Dr. Gayathri. A, Associate Professor, SCORE, VIT, Vellore

Dr. Benjula Anbu Malar. M. B, Assistant Professor, SCORE, VIT, Vellore

Dr. Jagannathan. J, Assistant Professor, SCORE, VIT, Vellore

Dr. Bhuvaneswari. M. S, Assistant Professor, SCORE, VIT, Vellore

Dr. Karthikeyan. D, Assistant Professor, SCORE, VIT, Vellore

Dr. Yogaraja. C. A, Assistant Professor, SCORE, VIT, Vellore

Dr. Ayeswarya. S, Assistant Professor, SCORE, VIT, Vellore

Sponsorship Committee

Dr. Vivekananda. G. N, Associate Professor, SCORE, VIT, Vellore Dr.

Dr.Praveen Kumar Reddy, Associate Professor, SCORE, VIT, Vellore

Dr. Mohanraj. G, Assistant Professor, SCORE, VIT, Vellore

Publicity and Media Committee

Dr. Sumangali. K, Associate Professor, SCORE, VIT, Vellore

Dr. Asha. N, Associate Professor, SCORE, VIT, Vellore

Registration Committee

Dr. Santhi. K, Associate Professor, SCORE, VIT, Vellore

Dr. Seetha. R, Associate Professor, SCORE, VIT, Vellore

Dr. Bhuvana. S, Associate Professor, SCORE, VIT, Vellore

Dr. Sivashankari. R, Assistant Professor, SCORE, VIT, Vellore

Dr. Jenila Vincent. M, Assistant Professor, SCORE, VIT, Vellore

BOLT3.0 Hackathon

Dr. J. Karthikeyan, Professor, SCORE, VIT, Vellore

Dr. Brijendra Singh, Associate Professor, SCORE, VIT, Vellore

Dr. Krishnamoorthy. N, Associate Professor, SCORE, VIT, Vellore

Technext'28 Expo Committee

Dr. Raghavan. R, Associate Professor, SCORE, VIT, Vellore

Dr. Balaji E, Assistant Professor, SCORE, VIT, Vellore

Dr. Balasubramani. M, Assistant Professor, SCORE, VIT, Vellore

Dr. Arun Kumar. A, Assistant Professor, SCORE, VIT, Vellore

Event Management Committee

Dr. Srinivas Koppu, Professor, SCORE, VIT, Vellore

Dr. Vanmathi. C, Professor, SCORE, VIT, Vellore

Dr. Mangayarkarasi. R, Professor, SCORE, VIT, Vellore

Dr. Sudha. M, Professor, SCORE, VIT, Vellore

Dr. Gundala Swathi, Associate Professor, SCORE, VIT, Vellore

Dr. Chemmalar Selvi. G, Associate Professor, SCORE, VIT, Vellore

Guest Care Committee

Dr. Dharmendra Singh Rajput, Professor, SCORE, VIT, Vellore

Dr. Srinivasan. P, Professor, SCORE, VIT, Vellore

Dr. Magesh. G, Assistant Professor, SITE, VIT, Vellore

Conference Coordinating Committee

Dr. Hemalatha. S, Professor, SCORE, VIT, Vellore

Dr. Anitha. A, Professor, SCORE, VIT, Vellore

Dr. Pounambal. M, Professor, SCORE, VIT, Vellore

Dr. Usha Devi. G, Professor, SCORE, VIT, Vellore

Dr. Jagadeesh. G, Professor, SCORE, VIT, Vellore

Dr. Kamalakannan. J, Associate Professor, SCORE, VIT, Vellore

Dr. Jayaram Reddy A, Associate Professor, SCORE, VIT, Vellore

Dr. Mala Serene. I, Associate Professor, SCORE, VIT, Vellore

Dr. Nirmala. M, Associate Professor, SCORE, VIT, Vellore

Dr. Mythili. N, Associate Professor, SCORE, VIT, Vellore

Executive Advisory Committee

Dr. Arivuselvan K, HOD/IT, SCORE, VIT, Vellore

Dr. Chiranji Lal Chowdhary, Professor, SCORE, VIT, Vellore

Dr. Ramya. G, Associate Professor, SCORE, VIT, Vellore

International Advisory Committee

Dr. Dave Cliff, Department of Computer Science, University of Bristol, UK

Dr. Rafidah Md Noor, Faculty of Computer Science and Information Technology, Universiti Malaya, Malaysia

Dr. Mohamad Nizam Ayub, Universiti Malaya, Malaysia

Dr. Saaidal Razalli, Department of Computer Science, University of Warwick, UK

Dr. Rossella Suma, Department of Computer Science, University of Warwick, UK

Dr. Joemon Jose, School of Computing Science, University of Glasgow, UK

Dr. Sung-Bae Cho, Department of Computer Science, Yonsei University, Korea

Dr. Rajkumar Buyya, School of Computing and Information Systems, The University of Melbourne, Australia

Dr. Elena Troubitsyna, Division of Theoretical Computer Science, KTH Royal Institute of Technology, Sweden

Dr. Zvi Galil, Georgia Institute of Technology, USA

Dr. Aravinda Prasad Sistla, Department of Computer Science, University of Illinois Chicago, USA

Dr. Shamkant Navathe, College of Computing, Georgia Institute of Technology, USA

Dr. V. N. Venkatakrishnan, Department of Computer Science, University of Illinois at Chicago, USA

Dr. Mark Zwolinski, Department of Electronics and Computer Science, University of Southampton, UK

Dr. David Stotts, Dept. of Computer Science, University of North Carolina, USA

Dr. Mahendra Piraveenan, Faculty of Engineering, School of Computer Science, The University of Sydney

Dr. Sophia Ananiadou, Dept. of Computer Science, School of Engineering, The University of Manchester, UK

Dr. P. N. Suganthan, Dept. of Computer Science, Nanyang Technological University, Singapore

Dr. Femilda Josephin Joseph Shobana Bai, Department of Computer Engineering, Istinye University, Istanbul, Turkey

Dr. Kasper Rasmussen, Department of Computer Science, University of Oxford, UK

Dr. Raija Halonen, University of Oulu, Finland

Dr. Victor Chang, Dept. of Information Management and Information Systems, University of Liverpool, UK

Dr. Hector Jose Garcia-Ramirez, Dept. of Computer Engineering, University of Michigan, USA
Dr. Mahasweta Sarakar, San Diego State University, USA
Dr. Mahesh Banavar, Dept. of Electrical and Computer Engineering, Clarkson University, USA
Dr. Seamus Ross, Faculty of Information, University of Toronto, Canada
Dr. Hemin Barzan Abdalla, Neusoft Institute Guangdong, China
Dr. Deepak Puthal, University of Technology, Sydney, Australia
Dr. Suvendu Mohapatra, Volktek Corporation, Taiwan
Dr. Li Zhang, The Chinese University of Hong Kong
Dr. Carl Gustaf Jansson, KTH Royal Institute of Technology, Sweden
Dr. Olabiyisi, Ladoke Akintola University of Technology, Nigeria
Dr. Subbu Kumarappan, Ohio State University, USA
Dr. Antonella Tucci, Centro Veramico-Bologna, Italy
Dr. Niket Tandon, Allen Institute for Artificial Intelligence, USA
Dr. Sathish Gopalakrishnan, Dept. of Electrical & Computer Engineering, The University of British Columbia, Canada
Dr. Sujatha Krishnamoorthy, Dept. of Computer Science, Wenzhou Kean University, China
Dr. Rajinikumar Ramalingam, Karlsruhe Institute of Technology, Germany
Dr. Chockalingam Letchumanan, Quest International University, Perak, Malaysia
Dr. Adhavan Ramasamy, Verizon Enterprise Solutions, USA
Dr. V. Murugesh, Cihan University, Erbil, IRAQ
Dr. Vaishali R . Thakare, MetLife,Noth Carolina,USA.

National Advisory Committee

Dr. P. Sakthivel, Chairman, IEEE Madras Section
Dr. S. Radha, Secretary, IEEE Madras Section
Dr. Brindha Saminathan, Treasurer, IEEE Madras Section
Mr. P. Subramanian, Chairman, IEEE Communication Society, Madras Section
Dr. Tarun Kanti Bhattacharya, Dept of Electronics & Electrical Communication Engineering, Indian Institute of Technology, Kharagpur
Dr. Rajat Subhra Chakraborty, Dept. of Computer Science and Engineering, Indian Institute of Technology, Kharagpur
Dr. K. Sreenivasa Rao, Dept. of Computer Science and Engineering, Indian Institute of Technology, Kharagpur
Dr. Ashutosh Modi, Dept. of Computer Science and Engineering, Indian Institute of Technology, Kharagpur

Dr. Srinivas Talabattula, Dept. of Electronics & Communication Engineering, Indian Institute of Science, Bangalore

Dr. Y. N. Srikant, Dept. of Electronics & Communication Engineering, Indian Institute of Science, Bangalore

D**r. Urbi Chatterjee**, Department of Computer Science and Engineering, Indian Institute of Technology, Kanpur

Dr. Kalidas Yeturu, Department of Computer Science and Engineering, Indian Institute of Technology, Tirupati

Dr. Tharun Kumar Reddy Bollu, Department of Electronics and Communication Engineering, Indian Institute of Technology, Roorkee

Dr. Subhasis Bhattacharjee, Department of Computer Science and Engineering, Indian Institute of Technology, Jammu

Dr. Abhishek Tewari, Indian Institute of Technology, Roorkee

Dr. Saravana Kumar M, Dept. of Electronics and Communication Engineering, Indian Institute of Technology, Roorkee

Dr. Dharmendra Singh, Department of Electronics & Communication Engineering, Indian Institute of Technology, Roorkee

Dr. Narendra Chaudhari, Indian Institute of Technology, Indore

Dr. Sameer Kulkarni, Department of Computer Science and Engineering, Indian Institute of Technology, Gandhinagar

Dr. Jimson Mathew, Department of Computer Science and Engineering, Indian Institute of Technology, Patna

Dr. Ayan Mondal, Department of Computer Science and Engineering, Indian Institute of Technology, Indore

Dr. Puneet Gupta, Department of Computer Science and Engineering, Indian Institute of Technology, Indore

Dr. Srikant Srinivasan, School of Computing and Electrical Engineering, Indian Institute of Technology, Mandi

Dr. Dileep A. D, School of Computing and Electrical Engineering, Indian Institute of Technology, Mandi

Dr. Surya Prakash, Department of Computer Science and Engineering, Indian Institute of Technology, Indore

Dr. G. Shrikanth Reddy, School of Computing and Electrical engineering, Indian Institute of Technology, Mandi

Dr. Anirban Sarkar, School of Computing and Electrical engineering, Indian Institute of Technology, Mandi

Dr. Srinivas Pinisetty, Electrical Sciences, Indian Institute of Technology, Bhubaneswar

Dr. Suman Kumar Maji, Department of Computer Science & Engineering, Indian Institute of Technology, Patna

Dr. Angshuman Paul, Department of Computer Science & Engineering, Indian Institute of Technology, Jodhpur

Dr. Narendra Kumar Dhar, School of Computing and Electrical Engineering, Indian Institute of Technology, Mandi

Dr. Sateesh Kumar Peddoju, Department of Computer Science & Engineering, Indian Institute of Technology, Roorkee

Dr. Pratim Kundu, School of Computing and Electrical Engineering, Indian Institute of Technology, Mandi

Dr. Shivashankar B, Dept. of Computer Science & Engineering, Indian Institute of Technology, Guwahati

Mr. H. R. Mohan, ACM India

Dr. K. V. S. Hari, Dept. of Electronics & Communication Engineering, Indian Institute of Science, Bangalore

Dr. S. V. Kulkarni, Dept. of Electrical Engineering, Indian Institute of Technology, Bombay

Dr. Arun D, Dept. of Electrical Engineering, Indian Institute of Technology, Madras

Dr. Pabitra Mitra, Dept. of Computer Science & Engineering, Indian Institute of Technology, Kharagpur

Dr. Dhiman Mallick, Dept. of Electrical Engineering, Indian Institute of Technology, Delhi

Dr. Nandakumar Nambath, Dept. of Electrical Engineering, Indian Institute of Technology, Goa

Dr. Subhananda Chakrabarti, Dept. of Electrical Engineering, Indian Institute of Technology, Bombay

Dr. Chandan Kumar Sarkar, Dept. of Electronics & Telecommunication Engineering, Jadavpur University, Kolkata

Dr. M. Nabi, Dept. of Electrical Engineering, Indian Institute of Technology, Delhi

Dr. Sougata Mukherjea, Program Director, Cloud Center of Excellence, IBM GTS Technology Services, IBM, India

Dr. Shabbir Merchant, Dept. of Electrical Engineering, Indian Institute of Technology, Bombay

Technical Committee

Dr. R. Manimegalai, Dept. of CSE, PSG Institute of Technology and Applied Research, Coimbatore

Dr. V. Balamurugan, Dept. of CSE, Manonmanian Sundaranar University, Tirunelveli

Dr. E. Sivasankar, Dept. of Computer Science & Engineering, National Institute of Technology, Trichy

Dr. R. Malathi, Dept. of Electronics and Instrumentation Engineering, Annamalai University, Tamil Nadu

Dr. S. A. Khaparde, Dept. of Electrical Engineering, Indian Institute of Technology, Bombay

Dr. M. Arun, Executive Committee Member, IEEE Madras Section
